Achieving Sustainable Global Economic Growth and Equitable Distribution of Resources
 The forthcoming 9th Annual GBR World Congress, Trade and Investment Summits hosted by the Global Business Roundtable, are poised to address the new ways that businesses are driving Africa's new economic era. The platform is uniquely designed to bring all countries and global players under a single roof for match-making opportunities with investors, partners, donors through the GBR Platform for a series of Continental and Country Hosted Roundtables on Infrastructure, Trade and Investment projects.
